Financial Aid

Through GaSSO and other outlets of receiving financial resources, Horizon Christian Academy is able to provide financial aid to HCA families. The HCA Scholarship Committee gives preferences to families in need of financial aid and decides additional awards based on merit and other considerations. The Financial Aid season runs January-March prior to the upcoming school year. Families are encouraged to register for financial aid through FAST (Financial Aid for Student Tuition) resources. A link to the FAST website can be found on HCA's website www.hcaga.org. No financial assistance is awarded unless a family has first applied through FAST. If the award is not accepted along with payment of the Enrollment Fee within a stated deadline, the proposed award will be distributed to other eligible families.

Horizon Christian Academy Payment Policies

You may choose either a one-time payment or 10 monthly payments from May through February. Monthly tuition payments must use our automatic tuition management system (FACTS). Automatic payments can be made from a checking or savings account or from select credit cards. A transaction fee will be charged on credit card payments.

Application Fees, Enrollment Fees and International Fees are non-refundable. 412 Program Fees and Senior Fees are non-refundable after commencement of classes.

Georgia Special Needs Recipients

An estimated credit for expected Georgia Special Needs (GSN) Scholarship payments will be credited to your account based on 90% of the most current Special Needs Scholarship Award Sheet available when the Enrollment form is issued. The credit will be adjusted based on actual GSN scholarship payments received. The family is responsible for any balance.
