Financial Aid

Through GaSSO and other outlets of receiving financial resources, Horizon Christian Academy is able to provide financial aid to those in need. The HCA Scholarship Committee gives preferences to families in need of financial aid and decides additional awards based on merit and other considerations. The Financial Aid season runs January-March prior to the upcoming school year. A link to apply for financial aid will be available in reenrollment agreements. No financial assistance is awarded unless a family has first applied through the financial aid portal. Phase One of Scholarships will be awarded in February. Families will be required to have 2022 filed tax returns AND 2023 W2/1099s when applying for financial aid. Students MUST be enrolled prior to applying for financial aid.

Horizon Christian Academy Payment Policies

Tuition payments must use our automatic tuition management system (FACTS) and will be drafted based on the payment plan chosen by the family in FACTS. Automatic payments can be made from a checking or savings account or from select credit cards. A transaction fee will be charged on credit card payments. All family balances must remain current (with a paid balance or enrolled/current in a payment plan) in order for students to participate in athletics, fine arts, TeamBuilding, and other school related activities. All payment arrangements must be made through the HCA Business Office.

Georgia Special Needs (GSN) Recipients (and similar programs)

An estimated credit for expected GSN funds will be credited to your account based on 90% of the most current Special Needs Scholarship Award Sheet available when the Enrollment form is issued. The credit will be adjusted based on actual GSN scholarship payments received. The family is responsible for any balance. GSN funds are applied prior to any tuition discounts.
