Secondary 412 Program

Level 1 - \$850

Basic Secondary 412 Monitoring includes a 412 Plan with classroom support and/or testing accommodations created from professional evaluations*, communication with parents, monitoring student performance (grades, homework, missing assignments), consulting with students and parents, conferences as needed and an Academic Planning Conference, coordination of outside therapies, and Standardized Testing Accommodations (with appropriate documentation).

*Valid, recent documentation is required (IEP with Educational/Psychological testing from public school or private Ed/Psych testing) documenting an identified disability. Based upon collected data and date of testing, additional testing may be required, especially when in transition years. Ed Psych testing will need to be updated during the student's Junior year in order to continue receiving accommodation in college.

Level 2 - \$2,000

Thrive 412 Program includes the Basic Secondary Monitoring listed above, plus Study Hall class where the student is assisted by a teacher with homework, planning, study skills, projects, and student check-in several times a week to discuss agenda, planning, maintaining assignments, grades, etc. Academic Progress Monitoring will be administered in the Fall and Spring in student's area of concern and communicated with families.

Secondary 412 add-ons:

- **Standard Testing Lab - \$1,000**
Includes small group testing in a quiet space. Students must have this recommendation from a valid, up-to-date Ed Psych report as described in the above requirements. Students utilizing the Testing Lab must first be enrolled in a 412 Monitoring Program.
- **Additional Individual Testing Support - \$1,000+**
Based on the level of support requested.
- **Read 180 Program (Middle School Only) - \$250**
Read 180 is an evidence-based blended learning solution designed for students in Grades 6-8. Students receive systematic, explicit instruction and practice of foundational literacy skills to develop their fluency, expand vocabulary and strengthen comprehension skills to become proficient, skillful readers.

Financial Considerations

Additional information and guidelines are provided in the Parent-Student Handbook

Financial Aid

Through Georgia SSO and other outlets of receiving financial resources, Horizon Christian Academy can provide financial aid to those in need. The HCA Scholarship Committee gives preferences to families in need of financial aid (based on a 3rd party evaluation) and decides additional awards based on merit and other considerations. The Financial Aid season runs January-March prior to the upcoming school year. A link to apply for financial aid will be available in re-enrollment agreements. No financial assistance is awarded unless a family has first applied through the financial aid portal. Phase One of scholarships will be awarded in March and April of 2026. Families will be required to have 2024 filed tax returns AND 2025 W2/1099s when applying for financial aid. Students MUST be enrolled prior to applying for financial aid.

Horizon Christian Academy Payment Policies

Tuition payments must use our automatic tuition management system (FACTS) and will be drafted based on the payment plan chosen by the family in FACTS. FACTS charges \$50 per family for payment plans. This fee will be charged through FACTS once a plan is selected.

Automatic payments can be made from a checking or savings account or from select credit cards. A transaction fee will be charged on credit card payments.

All family balances must remain current (with a paid balance or enrolled/current in a payment plan) for students to participate in athletics, fine arts, Teambuilding, and other school related activities. All payment arrangements must be made through the HCA Business Office.

Georgia Special Needs (GSN) Recipients (and similar programs)

An estimated credit for expected GSN funds will be credited to applicable accounts based on the 2025-2026 GSN Scholarship Award. The GSN credit and subsequent discounts received will be adjusted based on actual GSN scholarship payments received. The family is responsible for any balance.

Estimated credits from GSN or other scholarship programs are applied PRIOR to tuition discounts.
