### ELEMENTARY SUMMER READING and MATH PROGRAM 2026

Dear Elementary Parents,

We believe summer is the perfect time for students to continue growing as readers, thinkers, and learners—while still enjoying all the fun that summer brings! Our goal is to help students keep their academic skills fresh while also encouraging a lifelong love of reading and learning.

This summer, instead of assigning specific books or graded work, we simply want your child to READ—anytime, anywhere, and anything they enjoy! We are excited to continue our **Summer Reading Challenge**, where students in grades K–5 can complete a fun **Bingo board** by reading books of their choice in creative and unusual places.

In addition to reading, we are also including a **Summer Math Bingo board** (Kindergarten Board will look a little different) to help students keep their math skills sharp throughout the summer months. As the students complete activities, they can color in the squares on their boards. **Completed** Reading and Math Bingo sheets (all squares colored) should be turned in to their teacher on the first day of school.

Every student who returns **both** completed Bingo boards will be invited to our **Celebrate Reading and Math (CRAM) Party** at the beginning of the school year!

To make the challenge even more fun, we would love for you to send a picture of your child reading in their favorite or most creative spot this summer to [admin@hcaga.org](mailto:admin@hcaga.org).

We can't wait to see all the fun and imaginative ways our students engage with reading and math this summer. Thank you for partnering with us in helping your child continue to grow and learn.

Have a wonderful summer, happy reading, and happy learning!

Warmly,

**Julie Ross**

HCA Elementary Principal

# HCA Summer Reading Challenge

**DIRECTIONS:** Once you have completed a challenge, **color** in the picture and write the **book title** in the box. Complete and color them **ALL** (along with the Math or Kindergarten bingo board) for a special treat when you come back to school. Send a picture of yourself reading at your **FAVORITE** place to [admin@hcaga.org](mailto:admin@hcaga.org), and write HCA Summer Reading Challenge in the subject line!

<p>Read on Vacation</p> 	<p>Read Under a Table</p> 	<p>Read in the Sand</p> 	<p>Read on a Rainy Day</p> 
<p>Read Aloud with a Funny Accent</p> 	<p>Read with a Flashlight</p> 	<p>Read to a Pet</p> 	<p>Read a Magazine</p> 
<p>Read at the Library</p> 	<p>Read at the Pool</p> 	<p>Read in Bed</p> 	<p>Choose your own FUN PLACE to Read</p> 
<p>Read to a Stuffed Animal</p> 	<p>Read in the Car</p> 	<p>Read while Eating Ice Cream</p> 	<p>Read with a Friend</p> 

# 4<sup>th</sup> grade Summer Math

Complete this whole board along with the Summer Reading Challenge for a special treat.

**B**

**I**

**N**

**G**

**O**

Practice  
Multiplication  
Facts  
(1-12)

Practice adding  
and  
subtracting  
fractions with  
like  
denominators

Practice Math  
on a website of  
your choice

Write six-digit  
numbers in  
standard,  
word, and  
expanded form

Skip count by  
6's up to 72

Add up 3 or 4  
items from a  
grocery store  
receipt

Divide shapes  
into equal  
parts, shade  
some of the  
parts, name  
the fraction

Watch a Math  
video

Skip count by  
11's up to 132

Skip count by  
7's up to 84

Play  
multiplication  
BINGO with a  
friend

Practice  
measuring  
items around  
the house in  
inches and  
centimeters

Free Space

Look at prices  
on a menu at a  
restaurant and  
estimate the  
cost of your  
meal

Skip count by  
8's up to 96

Listen to a  
Multiplication  
Math Song

Find the area  
and perimeter  
of a square or  
rectangular  
object

Check the time  
twice in the  
same day,  
write it down,  
and find the  
elapsed time

Write your own  
Word Problem.  
Use  
multiplication  
to solve.

Skip Count by  
9's up to 108

Practice  
making change  
from \$5, \$10  
and \$20

Practice Math  
on a worksheet

Find these  
shapes in your  
house: a cube,  
cylinder,  
sphere, and  
cone

Write your own  
Word Problem.  
Use division to  
solve.

Skip Count by  
12's up to 144
